June 2026

Dear Parents/Guardians,

The Primary Schoolbooks Scheme will continue for the 2026/2027 school year. Funding has been provided to the school to purchase schoolbooks, workbooks and copybooks for all pupils. This means that parents/guardians will not be required to pay for these items. The attached flyer provides further information about the scheme.

Please encourage your child to take good care of their schoolbooks, as these books remain the property of the school. Pupils may bring their schoolbooks and other learning resources home to complete homework and to allow parents/guardians to support and engage with their learning. All schoolbooks must be returned to the school in good condition at the end of the school year or if your child leaves our school during the year.

As in previous years, the school will purchase stationery packs for Junior Infants, Senior Infants and for the Multi-Classes. These packs will be stored in the school and will be ready for use when the children return in September. Parents/guardians will receive a payment link via Aladdin for this.

Stationery lists for pupils in 1<sup>st</sup> to 6<sup>th</sup> Class are available on the school website.

Parents/guardians of all pupils will be asked to contribute towards the cost of 24-hour school insurance, homework journals, photocopying, art and craft supplies, and other activities in which pupils may participate during the school year. Payment for this will be collected via Aladdin in September.

Kind regards,

Foireann na Scoile
